MEMORANDUM FOR: Colonel White
VIA : Mr. Lloyd *HGL saw*
SUBJECT : Advance Gifts Solicitation, DD/A Organization

1. The attached figures on the success of the Advance Gifts Solicitation in DD/A were "smuggled" clandestinely out of the Office of Personnel last week. You will note that the memorandum is unsigned; this is because Personnel chooses to regard these figures as some sort of "privileged document," and the Chief, Services Branch, Employee Services Division, was forbidden to give them to me, but he did anyway!
